

October 18, 2011

Announcements: This coming Saturday, October 22 at 3 pm we will be hosting Predestined Love -God's Model for Marriage Ministry. This is a ministry for those who are married. It is based on the love of Christ for his Church. We are asking all of our married couples to come regardless of whether their spouse is able to attend or not. Please donate \$10 per person/\$20 per couple. If you do not have the money; do not let that stop you from coming. If you are married and live in this area or will be in the area, you are welcome to join us. Our building is located at 209 Lafayette Drive in Jackson, TN. Oct 27-29 The All Nations Worship Conference will be held at Judah International Ministries in Mackinaw, IL. For more information you may go to our website at www.ericnewble.com

On November 6 IMI (Inspiring Ministries International) will be having a joint service with City of Refuge in Jackson, TN. (Same address as above)
Thank you to those who accepted the challenge to sow seed last week. Without you honestly laboring and praying for us we could not do what we do. Praise God for those of you who are faithful to pray, sow and to serve with us.

If we are going to establish true covenant with one another, then we must be willing and able to lay down our lives first. The word "Covenant" is not a buzz word. The sacrifice required to have covenant with one another is costly. When I first came to Judah I experienced a demotion in position. I went from being a pastor of a church to an elder. God also asked us to lay our first church down. The sacrifice we made was bloody and painful. We turned over those that we had nursed and rocked as babes in Christ to another. Unbeknownst to us, God would give us another church years later. Before that took place though we had to let the first seed (our first ministry that we started) fall to the ground and to die. There was a couple in our first church that we had counseled, helped and stayed up late with on many occasions to walk them through their problems, infidelity, etc. Then when we laid down our first church we came to Judah (Lilly Ministries at that time). There this couple received counsel from Bishop Mark for a season prior to their marriage. After we had been at Judah for a short while, this couple treated us like we had not ever done a thing for them. When it came time for them to be married they did not even want us to marry them or to be a part of their marriage. Talk about a slap to the face... years later though they had to come back and to apologize to us for that. This marriage actually failed initially. When you sow seeds of covenant breaking it will show up again.

Those of you who are astute take the blueprint, examine it, study it, prepare. Don't just bring a blueprint to us (your leadership) without doing your homework. Additionally, if you disrespect your Pastor do you really think that he/she as a leader is going to bless it? Yet on the other hand, leaders also need to be open to hear what the people of God have to say. We who are senior leaders should release the gifting(s) of God to function and flow in the body of Christ for those who've been tried and held true. We should use examples of things that we have been thru as we teach the people of God. The examples that we use should be shared in a tactful way with excellence.

We did a lot of reconciliation last week. We went to Pastor Pettigrew's ministry, and then she went with us to visit Pastor West's church in Selmer, TN. It is about being the Christ person. John 12:24 Caiaphas said, it is expedient that one should die for the nation. We have to be the one who is willing to lay down their right. There are times that God gives you the right and then he will ask you to lay down that right. Gen 28:12 There are times where God will not allow you to share the inner place he has called you to with another, not even your spouse. Stop running from God and be still and let God do his work in you. This will be an eternal work. Last week, Sister Charlene Nance shared with us about the leaven of the Herods. Speaking of which, we will be giving those who said you would assist us, the opportunity to do so very soon. This prophetic prayer line is a teaching line where we train you and give you an opportunity to share and to grow.

We want to pray for those who are paralyzed with fear at the thought of teaching on the line. Something is not wrong with you actually something is right with you. Get with one of the administrators and have them pray and let it be broken. Pastor Eric prayed- for those of you who are operating in fear, you fear to believe God and to step out -we break that yoke and we release the grace of God to you like never before. We break the lethargy in them. Destroy it Lord so that they can arise to that new place in God. I grant you permission to destroy fear. Say it with me. You never get over fear if you do not practice. You need to be familiar with the material that you present. You must be astute about your craft. You must study, pray, spend some meditation time. Be knowledgeable about what you are speaking about. Let us help you get over that fear and to get on. Those who are getting new opportunities to preach and melt under pressure are those who probably have not prepared in advance. At Judah, we have an evaluation checklist for those who are stepping out to learn how to preach. They have questions on them like... were they boring? Did they tie in the Old Testament with the New Testament, etc? Our elders fill out an evaluation for each speaker and then give them to me. Then they or I go talk and share with them to let them know how they did. This information is very valuable.

I want to finish up today with the leaven of Herod. If there is something that you have wanted to add and have not had the opportunity, then this is your chance to bring out a point or two.

Angela-when I was looking at the meaning of the name Herod, I found that it is Strong's Concordance number 1491 in the Greek. 1491 G comes from the root word Strong's number 1492. The name Herod means an external, outward, a view, appearance, fashion, a form or shape. We know him to be a murderer but he also did restore the temple. He did things outwardly to try to appear as a good leader. It points right back to the topic of who he is. The Greek root word 1492 means to ascertain what must be done to something, to know, be aware, behold, consider, have

knowledge, perceive, to see, understand. Herod was a great leader but was known for being very cruel and given to suspicion. It led to his legacy which is all about murder and destruction. When I listen to people speak I often think, that is nice but how does that apply to us. How could my ability to discern going to help me in real life? I believe it goes back to what Pastor said early on in this study. He said to watch what people say, watch what they do and then you will know their heart, mind and where their commitment lies. I believe this is especially true when we look at the life of Herod.

We as leaders can not do everything ourselves. We need the help of those who are anointed and called to assist us. Angela is one of those individuals who have the ability to find information that others can not find and to do it quickly. She is a great resource person. There are those individuals around us who possess true insight. Some of them are seers. There is no reason to fight against receiving their help. Rather we should receive them and help them to cultivate their gifting.

Elder Diann-Herod Antipas mocked Jesus at the trial. He did this because he had a mocking spirit which mocked the anointing. The purple color for the king's robe came from a type of seashell found in Phoenicia. He was putting the kingly garment on Jesus to mock him. There are those people who have a mocking spirit who like to mock the anointing like Herod.

Kim Evans-the thing that struck me during this study is that Herod willed to do the right thing, yet he didn't. He goes thru such emotions. We need the leaven of the Holy Spirit to keep our hearts in the right place. He had so many opportunities to correct his decisions and yet he did not.

Pastor-Herod Agrippa had the opportunity to change and did not. We see that same spirit with Abraham and Isaac. There is a prevailing spirit. He gives us a doorway out or a doorway in. It can be the historical or genealogical doorway that becomes an iniquity.

For our family it was a doorway out of bondage that resulted in liberties for Elder Rebecca and my girls that her mother never had. My wife talks about her mom in this regard all the time. When she watches Elder Rebecca preach or Hannah cheerlead she gets so excited. You see she did not have the opportunities to do some of those things that they have gotten to do. So she encourages them to go beyond what she was able to do.

Niel-Matt 22:29 the Sadducees are trying to trap and trip up Jesus. His response is ye do err not knowing the scriptures nor the power of God. The word knowing here means to know or to perceive. You can have a lot of information and completely miss it. The resurrection was right in front of them and they missed it. What really blew me away was that they were more concerned about their money, status and wealth. We can get so caught up in our title or in information and what is going on around us and completely miss what is right in front of us.

Pastor has a strong problem about people who know and recognize a problem and then never put their hand to fix or to resolve it. The New Testament is so important because it moves us past knowing things. It leads and guides us to find answers in new places.

Discern-this word means delusion, deceitful, straying away from the orthodox. The verse that comes to mind son is, the spirit of error found in I John 4:6.

Prophetic Word and Vision released by Pastor Eric-Pray for me and the preachers of the western Tennessee region. When I was stepping down from the alter I heard God say, do you know how many pastors that I allowed you to share with this last week? I can count at least six that I was able to meet with and/ do lunch with. One of the names I heard was Pastor Russ's name. I wanted to share this with you so that you would pray with us.

There is a wave forming. He is building a wave. He is starting with the under current of the wave. I see an under current under the sea, under the ocean. He is settling old business for many of you... Before I release this wave and allow it to come up to the surface, know that I will call forth the rivers that are under the ocean and I will draw from the rivers and streams that are under the ocean to create this wave. The ocean will come out of the ocean with such a centrifugal force and a point of unity. This wave will hit the shores of the world and this wave when it hits the shores, the waters of it shall be as the waters that cover the sea -Habakkuk 2:14. It will not be as a regular wave like we know. This wave will hit the shores from all angles simultaneously. The shores shall be hit as if the ocean is surrounding the land from all sides...from the east, the south, the north and the west.

If you know someone who can draw they should draw this. I see New York and maybe Chicago??? I see high rises. What I see may be the city of Boston. We stretch ourselves out before you. We lay ourselves out to understand what you are saying. Allow us to tap into you like never before. We know that we don't have the corner market on nothing. Pray for the region of Western Tennessee and the Midwest.

Be committed, diligent and persistent to the work of God, to the prayer line and to the things God has called you to do. This word means error from I John 4:6 means fraudulent, to deceive, a plane, means seducing or roving we are of God and hereby know we the spirit of truth and the spirit of error. Everyone who loves is born of God and knows God.

Believers that believe; they are people who do. It is natural or supernatural. People who are true helpers don't wait until the work is done and then afterwards say, where is the work?

This an excerpt from the movie Gladiator

Commodus: Have I missed it? Have I missed the battle?

Marcus Aurelius: You have missed the war.

Commodus: Father, congratulations. I shall sacrifice a hundred bulls to honor your triumph.

Marcus Aurelius: Save the bulls. Honor Maximus. He won the battle.

Marcus Aurelius, who is Commodus 'son, tries to salute his father for winning the battle. Marcus Aurelius is the immature son and doesn't know what he is talking about. Commodus basically says salute Maximus, he is the reason that we won this battle. The first and then the second, the New Testament and then the Old Testament, grace and then revelation.

We speak Gods leadership over you. You have never had it so good; this is your greatest hour. Say it out loud. Make a great day. Take the

day by the horns. Come prepared to pray as we receive our next assignment.

October 20, 2011

Announcements: This Saturday, October 22 at 3 pm we will be having God's Predestined Love Marriage Fellowship. We will be discussing how men like to be respected and how women like to be cherished. This is a part of our different love languages. We will be teaching on this. If you will be in this area you are welcome to join us.

October 27-29 we will be hosting the All Nations Worship Conference. You should come, even press to get here. In this conference all of your meals are included. You won't have to drive around all over the place to find food. We treat our guests very well. We want you to sit and to enjoy yourselves. It is a good time of rest and fellowship. Friday night is a worship extravaganza. We have a phenomenal group of people. More information is available at www.judahinternationalinc.com

November 6 -we will have a joint service with our sister church (City of Refuge) at 209 Lafayette in Jackson, TN. We also want to do mass food pantry there. Pray for us.

The world makes Halloween a high holiday. The theme of this holiday is based on fear. We do not operate in fear.

Good morning to you the faithful. I cease not to make mention of you because of your love for God. This fulfills the great commandment. Love the lord your God with all your heart and love your neighbor as yourself. The believer loves life. He loves the saints. You are by far, God's greatest creation. You never had it so good. This is your greatest hour.

I am not a storm chaser. I am a God chaser. I am hot in pursuit. I missed out on some waves of his glory. Isaiah 43 God says I am going to do a new thing. We need the pulse of the shift. Human beings do not know how to pull out truths from heavenly realms except by the Spirit of God. They that are the sons of God are led by his spirit. Jesus was led into the wilderness. Paul was led out into the back of the desert. Following the spirit of God and being led by his divine presence may mean that he tells you to slow down one day while you are driving down the street. Suddenly someone shoots right in front of you and if the spirit of God had not quickened you, you know you would have hit them and met with your demise.

You are an incomplete person if you do not bring forth the Spirit of God into the earth realm. We commonly pick particular seasons in which to make a move or to build. The Holy Ghost however builds all year long. For those who say that this is good enough and don't want any more to do, you will find yourself and your anointing becoming stale. You have a revolutionary spirit and are called to do exploits. You grab the persons hand and try to lift them up out of the wheelchair. People will admire your faith for trying.

You can do all things. Yes there are majors and minors. We have got to get you to the place where you know that you can do all things through Christ who gives you strength. I love Pastor Arthur Crowder because nothing stood in his way. Though he had a limited education, yet he excelled in the things of the spirit.

Paul by the anointing of the Spirit of God had to anoint his leaders and be CUTTING EDGE. The leading of the Spirit of God is always ahead of the spirit of the world. It shows us where to pray and how to position ourselves.

Some of you are so afraid to believe God and to just do what he asks.

For those of you who are coming to the line and going, we are praying for you. To the faithful, know that you are holding up the world through this prayer line. As you learn how to yield to God, you have begun a powerful thing.

We are in between teaching subjects right now. We are going to invite Bishop Mark or Lady Donna to come to the line and to share with us and help us to prepare for the All Nations Worship Conference.

Proverbs 24:1-5 There are certain things that speak life into you such as when the Holy Spirit quickens the word of God in you as you study. If you are not taking the necessary time to study, pray and to get into his presence, then you will become spiritually dry. A natural example of this is when you do not drink enough water, your body becomes very depleted and very dry and you become dehydrated and lethargic. Similarly water in the Bible represents the word and knowledge. Those who are spiritually dry are dry because they will not spend adequate time with God and wait for the spirit of God. Those who take their time with God regularly and consistently though are wells of knowledge and life.

I am coming across many people these days that are dry in places. God gave us the Doma (the five-fold giftings), his divine DNA so that we could know the prosthesis of God. Your lifestyle is not purposed to blindly accept however everything goes during the course of a day. You are meant to change the atmosphere. The world is in need of revolutionary thinkers who affect our world with change. I do not want the world system to suck the spirit of life out of me. I am called to change it.

Pastor Rod Parsley took the word and affected the world boldly with the scripture. He was operating with an apostolic spirit. The anointing transcended from one generation to the next. Dr Lester Sumrall his spiritual father poured into him.

When a shift takes place in the spirit he shifts many things. He shifts your disciplines, how you deal with your money and people, etc. Everything seems to be up in the air because he is trying to ground you in knowledge.

Ephesians 3:1-12 People get upset about things that they have never heard before.

We desire change only when it benefits us. God puts one up and takes another down. There will come a time when it will be your turn to come up. Just keep on living and it will come to pass. You are not purposed to always lead and to be on the front line. There will be times when God places someone else out front to be the lead person and to take the bullets for a season. He does this so that you have time to rest and can back off for awhile. Many of us hate to rest, but when God pulls us into that season we must do our best to be obedient to him and to submit to this part of our process.

I met this person who had been with Billy Graham's ministry for 40 years. The longevity of his staying with a church for so long deeply touched me. Min. Niel has been with me for over 20 years. I had another person marvel that we have had some people with us in ministry for

so long. It has not been without challenges though. I have hurt them. They have hurt me. We have both said and done things that we should not have, but we are still connected.

Romans 16- You need to read this chapter and listen to how Paul writes so fondly of those who are around him. He did not backbite or talk them down rather he salutes and honors them. He had tapped into a mystery an inheritance thru those who surrounded him... he tapped into God's greatest creation, human beings. He tapped into human beings that were considered dogs, the derelicts, the homeless man, the hungry one on the street. In God they became priceless treasures to him.

Ephesians 3:1-12 Strength, strength to you. Why, because the month of October is a high holiday especially in this world for the demonic church. Declaration-For God I am going to live and for God I will die. I will not sit back and wait for it to come to pass. Your God is a God of purpose, pursuit, principle, promise and production.

There are some things that are locked up inside of you that if someone does not have the revelation to pull out that grace gifting inside of you; then you will be frustrated about living and giving what you are purposed to give to him in this life. There is a treasure locked up on the inside of you. Paul is about to show these people what it is.

The better part of you is not about getting the inheritance, it is you. I am here to bring value to the inheritance on the inside of you. With out your inheritance I can not be what I am called to. With out my inheritance you can not become what you are called to. Deacon LZ grabbed me and laid his hands on the back of my shoulders last night and started praying in the Holy Ghost. God by the spirit grabbed hold of this deacon. He called me later when I got home and said, Pastor I want to tell you that I see God is moving you at a fast pace and whatever you need me to do around your house, I got you.

Paul had a revelation. He thought this dog people are my inheritance. I do not have any other people. It was not about the great revelation it was about the people. It is you. It is you.

We must call one another and to encourage one another. You are the inheritance. Being the patterns the courts and the chambers of God. God is wanting to present a broken, humble and contrite people to the world. Who you are in him is the greatest part of who you are.

Ephesians 1:15-23 Wherefore I also after hearing of your faith in the Lord Jesus, and love unto all the saints, cease not to give thanks for you, making mention of you in my prayers; that the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: the eyes of your understanding being enlightened;...

We are getting tired because we are not letting God breathe fresh knowledge of his word into us. I by the spirit of God have my eyes enlightened.

Brother Brian you have learned to take the horn up to different levels. At different times you know when to blow it long or short. It shows that you are a man who has studied the showfar.

My voice carries knowledge. At every season of a man's life God releases a new song.

We have Wisdom which is the Apostolic, Revelation which is the Prophetic and Knowledge which is the Teacher... that the eyes of your understanding may be enlightened. That you may know who is the hope of his calling and what are the riches of the glory of his inheritance in the saints. It is his calling, it is his calling. What you have is put on loan from God. God says I will show you what the hope of my calling is. I want you to fulfill the hope of my calling. It is that you become all that God has called you to be. Become the very court, the very chamber that you are called to be and to put on the hope of their calling. What you are hoping for ties into what you will become in this world.

Paul got a revelation. It was that the riches of God's glory is wrapped in you. God wants you to find out that there is something for you and it is wrapped up in his presence.

You are the greatest inheritance that God has given to the world. I want to be with you and to travel with you.

When we are together we are better.

Call someone today and say...Don't you know that God has an inheritance and when they say what, say it is you.
