Announcements: We will be having New Year's Celebrations at Judah International Ministries in Mackinaw and at IMI at Jackson, TN. We welcome and encourage you to join us. These are high times in the spirit that we greatly anticipate.

January 2- We will start a 21 day Daniel Fast-more information will be posted on our www.ericnewble.com website soon.

Pastor Eric Newble-January 13-16 -IMI (located at 209 Lafayette in Jackson, TN) will be hosting Cathy Fontenot the Prophet of God. She is the one who said that Elder Rebecca and I would have dual citizenship. She said it will be as if we will be living in Jackson, TN and in Mackinaw, IL. In a great time of need, she brought the fresh word of the Lord to us. You better hold on to the person who can hear God for you and you better hang on to them like glue. We are encouraged by her and are looking forward to our time with her.

Infalible Sign-Acts 1:3

Trumpeter's Call-Hope you have been spreading the word to others about the line. We will not be limited. We will be instruments of His Spirit.

I am thoroughly excited about the spirit of the day. Pray for Rockford. It has gone from being number nine to number three on the worst place to live list. Pray because we have family there. I believe there will be a move of God there. My cousin Leander and I drove around and prayed over the city. We went from the west side all the way to the east side.

I don't know if you have started to make commitments yet, but I want you to consider what you are going to do for the New Year. Find someone and put it in the heart of that individual to hold you to it. It is just like the unjust judge who badgered the judge. You put your word out there and now you have to follow through. Find someone who will hold you accountable.

Platforms-our ministry (Eric Newble Ministries) is called to set platforms. Platforms are meant to showcase what God has done inside of an individual or individuals, and to display the metron(s) that he has given them. In 2012 many platforms will be set in ENM.

It is not often that Pastors will give people who do not have their own churches the opportunity to minister. The reason pastors normally don't share their pulpits with these individuals is because it does not afford them a personal platform (or opportunity) to minister somewhere else. We at ENM believe though that if you have a word from God and that you are a tried son or daughter; then we will give you that platform here.

I remember the days when I could not get a preaching engagement. It is a difficult place and can be trying, but God's greatest work is not what you are doing within yourself, but rather what He is doing through you. When God settles us down though, we become okay whether we are ministering or we are sitting down.

Elder Jackie loves her Pastor and she makes sure that whoever she serves is well taken care of. She not only says that she loves us but she also follows through to make sure that we are all good. We are hard pressed to find people who serve like this as armorbearers.

If we ran some statistics to find out where the people of God's focus lies; you would find that many people are focused on their personal ministry and what they are going to do. They do not know who they are in God or what they are supposed to do with their lives. The reason for this is because we as leaders have not trained them properly or created the platforms for them to minister in. We must give them these experiential training opportunities. I recognize that if we do not raise up sons and daughters who are locked in to God and who are dying by laying down their lives for the men and women of God, then we have missed it. Lord, help us to lock Your people into You and Your word.

Elder Jackie has been ministering to us on first fruit. This morning we are going to give her some more time to expound on what she has gleaned from her studies.

Elder Jackie- Thank you for the opportunity to share. I am grateful for this opportunity to share.

Dying is a principal of first fruit. John 12:24 says that unless a kernel of corn falls into the ground and dies it can not bear fruit. I am the first fruit-James 1:18. Jesus was the first fruit according to I Corinthians 15:20 of those who died and rose from the dead. First Fruit is found in the New Testament in Romans 11:16 & 16:5, I Corinthians 15:20 and James 1:18. Since Romans 8:17 states that we were heirs of God and joint heirs with Jesus we are first fruit too.

With the turn of the New Year we make our resolutions and start out good and then around March and April we fall off. This is around Passover and then...

Different spiritual houses have different ways to gather money. Some ministers work by intimidation and call out those who do not financially give to the level they thought we should give. They made us feel like we were going to hell because of it too. Some churches have 50 different ways to give to collect the funds that are needed. **Something to note about giving a First Fruit offering though is that it will bless your house and the house of God.**

First Fruit Recap- First Fruit is not an issue of religion. First Fruit is not just an Old Testament principal. It is a New Testament principal too. Our job is to show people how they can reach God. Three feasts from Exodus 23:14-16

- 1) **Feast of First fruit of thy Labors or Harvest**
- 2) **Feast of Unleavened bread or Passover**
- 3) **Feast of Ingathering or Tabernacles**

v. 17-19 Three times a year in the Old Testament the heads of households (the males)were to make an offering for the males in their household. They would go before God and offer a blessing for their family. We offer First Fruit offerings throughout the year, but particularly at the beginning of the New Year.

Write it upon your heart, put it upon their forehead. Jeremiah 31:33, Exodus 28:28-38

It is to be a memorial that we will tell our children. We tell them how God brought you out of whatever circumstances had you bound. How God brought you out from drugs or some sexual sin or whatever he has brought you out of. My feet are now set in a more permanent position.

First fruit is us giving back to God what is rightfully his. The IRS takes what is theirs. God is due what is His too, but He wants us to do it with a willing heart.

The tithe is 10% which is a determined amount. It represents past productivity. First fruit is an undeterminable amount and represents future productivity.

Joshua 5:13-6:20 Jericho first fruit of conquest represent the silver and the gold or the place of a future win. Major strongholds that God gives us great victory over through our obedience.

I have already been sowing my first fruit. I am expecting so much in this New Year. First fruit begins with me and it is my responsibility. You need to bring it to the priest. Now here is an oddity-Nobody wants to bring money to the priest and yet they want the priest/pastor to do things for them such as to put their hand on the kids and to pray and to bless them. What is a matter with this picture?

When you bring your sheaves of barley which represents the roughness in your life-the priest takes your offering and waves it before God. It knocks the roughness off of things in your New Year.

Thank God for all the men and women of God but especially to Pastor Newble who spoke at the beginning on this line. He has been faithful every Tuesday and Thursday. He is good ground. He has been tilling the ground and he has been faithful. With every seed sown he comes back and tells you how it has been spent. It causes a blessing that comes back to your house.

Sow into ground where you know that you will get the break through. Check the ground that you are sowing into.

First fruit-is a promise to come. Because we believe the promise to come we are waiting expectantly on it to come to manifestation. We do not have to wait until we get to heaven. The blessing of God is for obedience here and now and God must perform the word that he has been faithful to speak. We sow our First Fruits in to reap food, clothes, new cars, etc.

The Seven blessings of First Fruits-Exodus 23

- 1) v. 20 He would send an angel before you to keep you in the way and to bring you to a place that he will prepare
- 2) v. 22 He will be an enemy to your enemy
- 3) v.25 He will bless our bread and water (our substance/supply our needs)
- 4) v.25 Take away sickness out of the midst
- 5) v. 26 that nothing would die before its time-if you have dream, vision
- 6) v. 28-30 God will drive out the enemy with hornets, etc. little by little
- 7) v. 30 He will give us the increase and inheritance of the land
- 8)

Prophet Cathy Fontenot-Elder Jackie this is a fresh revelation that God is releasing in this hour. We are getting it beforehand because it will be needed so much in the year of 2012. I have never heard such a revelatory teaching that must be released to the body of Christ. Businesses must have it too so they can bring it with them in 2012 to gain perspective and use this word of God to grow their business. This teaching needs to be on a CD-The Season of First Fruit. Many people understand the tithe and offering but they do not understand the concept of First fruit. This teaching is so key for the believer to have, and it will enable them to step into the New Year with a fresh revelation. This is a solution to your resolution.

Pastor Eric Newble-I shared a word Elder Jackie and I told her that you need to get in front of the mike and put every word on CD because I know in this recession this will procure a blessing. I already had a pastor ask me when she can come. They wanted to know if she could come into their house in the first of the year. If you think this is a scam, keep your money. I have a first fruit seed. I have a good book by Paula White, but I make no bones about declaring that she does not go far enough or deep enough with her teaching, though her word is appropriate. Elder Jackie has studied First Fruit out, but this is but one area that she is strong in.

Make your calling and election sure. Know your craft. Prophet Cathy she needs to hear this. We receive your interruption, which is not an interruption.

Prophet Cathy-it is a book that you must take a look as you write your book you are releasing an anointing for others to teach. God will sow his first fruit into you as you release the book. Trumpet blew a series of blasts.

Pastor Eric-Blow the trumpet one more time over this word. The word in Leviticus 7:28-38 talks about waving the offering over the right shoulder. I didn't know I was supposed to do that, but I waved them over the right shoulder so that the breakthrough can come to the people of God.

Elder Jackie-I shared that I needed my husband to know how to run the microphone. The first fruit offering unlocks what I can't even see. I appreciate the word and I receive it.

When you give a first fruit offering you anticipate a future harvest. Joshua -Jericho became a first fruit of conquest and a future win.

Romans 11:16 It makes there whole rest of your harvest holy. If the root is holy it makes the branches holy.

I Kings 17:13 And Elijah said unto her, fear not; go and do as thou hast said: but make me thereof a little cake first, and bring it unto me, and after make some for yourself and for your son. Elijah implemented the first fruit truth principle here. The widow women brought the first cake to the man of God and then her oil and flour failed not until it rained again and the famine was over.

Zarephath-means to ambush those things that our mouth has spoken. Trumpet blasted...purpose can come out of our mouth and then we can curse that which we have just spoken. The widow said to Elijah, this is all that we have but she believed God and the Man of God and gave him his cake first. Her obedience resulted in blessing resting on her and her household for many days. Sow in faith and think and sow more, every assignment that you are birthed out of and into you should sow into. I am determined to move into the place of fruitfulness that God has for me and to help you find your place too.

Below are four things that will attempt to thwart you from giving your first fruit and hinder you from receiving your future blessing.

- 1) **Fear** -I Kings 17:13-Don't allow "fear" to come upon you. Fear says, if I sow this, what am I going to do about my bills, taking care of my children's needs, etc.? It takes faith to sow a first fruit offering and this is what we operate by. The enemy would seek to stop us with fear.
- 2) **Ignorance** -Hosea 4:6-My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that

thou shalt be no priest to me: seeing that thou hast forgotten the law of thy God, I will also forget they children. Ignorance destroys church houses and is a lack of knowledge. It can lead to bitterness.

I am breaking down strong holds of worrying what my leaders are doing with the money I gave. I am making a covenant with God in giving into the Man or Woman of God.

3) **Procrastination**-Exodus 22:29 Don't delay to offer the first of thy ripe fruits, and firstborn of

4) everything. The Israelites had to make haste and to take the blood of the lamb and cover the side posts

5) and the upper door post of their houses for protection. All the first born of the Egyptians were going to be killed in

6) by God's judgment-Exodus 12:7, 12, and 13. We can not procrastinate on the \$50 or \$100 that God is calling us to give.

7) Not giving it can keep your kids from coming off of drugs, or one of your relatives from being healed from cancer. The widow women's obedience affected her whole household.

4) **Lack of Courage**-be strong and of good courage. Deuteronomy 31:6 and 7 and Joshua 1:6 and 7 You have to do something different then you normally do to get different results. Sow a sacrificial first fruit offering.

Pastor Eric-We can sow our time, our energy, our prayers and our money.

Greater will be hit with a fear of. Very well put. Thank you for teaching and training us.

III John verse 2 says I wish above all things that you would prosper and be in health. Acts 17:11 Paul left Thessalonica and went to Berea. The Bereans were more noble and searched the scriptures daily and received the word with a readiness of mind.

Set yourself to study this out for another thirty minutes after you get off the line. Destroy the spirit of ignorance. Search it out for yourself. If you want some thing you have to pray it, study it out, serve it and sow to it.

We are going to pronounce some things over you at the end of the year. We will be preparing ourselves to sow our first fruit offerings during the New Year's Eve service. Only God can bring the word of the Lord to pass. I can not do it.

Trumpet blew as we closed out.

Announcements: Welcome

New Year's Eve services will be held at Judah International in Mackinaw, IL and at IMI at Jackson, TN please join us if you will be in the area.

January 2-Our Daniel Fast will begin. We encourage you to join with us in this fast. We will have some other things that we announce shortly as we start this New Year. Please see our website for additional information.

Prophet Cathy Fontenot will be at Jackson, TN from January 13-16

Please mute your phones when you are on the line so every one may hear clearly.

Pastor Eric-Welcome-Please consider being a Covenant Partner with ENM-we inspire the people here, there and everywhere.

The Launch Pad-is the name of a Christian business in Bloomington. This is where we met some wonderful believers doing some excellent things. We were toured their facility. We were considering using their facility as a location to broadcast our IPTV sessions. We need to get this message that God has given ENM outside of the church.

I am a churchaholic and I love it. I am thankful to be the Pastor of Judah International and IMI. I only had one secular job and that was at the Babyfold. Ever since then I have worked in a ministry position in the church.

IPTV is coming together and we will be talking to you more about that soon. You helped us buy new cameras and equipment. Thank you. This weekend in Jackson, TN we have some new shoots going on through out the city.

There is so much inside of you that we need to bring to fruition.

Bishop Mark recently said in a service-when you see how earnestly God wanted the children of Israel to go into the promised land...it lets us know how great God's heart and his desire is for us to acquire territory. Miles Monroe and Oprah Winfrey are buying up as much land as they can. Why? Because the man who has the most land has the most power. God wants his people to take the territory that he purposed for the kingdom of God.

The church should be a moving, living organism. In the Bible, from the time of Abraham all the way up to Moses, Israel was moving from one place to the next. In the New Testament, you see that Jesus was on the move consistently and later on in the book of Acts the disciples were moving. Why aren't we moving? Sometimes we get stuck.

S.t.u.c.k-Severely Trapped Under Contemptible Knowledge- The apostles became stuck in Jerusalem.

2011-We become stagnant. Though we have been in a recession, it is not the time to stop bringing ideas to the table.

A nucleus of motion-with my staff I am constantly using the word nucleus. A nucleus is an organism, a group of people collaboratively moving in a specific direction who must know their assignment and must be convinced that they are supposed to carry out their assignment.

Another word I am using is **Ambassadors of Christ**-someone sent from one place to another to represent the kingdom of Christ.

We must begin to vibrate in our specific assignments. To do this we need creativity in our mindset, culture or an atmosphere-whatever God gives you must vibrate in order to live.

Hindrance to the Vibe-One of the problems with us continuing to vibrate is that we become corrupted by the environment of those around us who do not know how to vibrate.

2012-Year of Apostolic Delegation-this will be the year when I am set as Apostle Eric-pray for me, I am still wrestling with the sound of the title. This year God will place an apostolic delegation around his leaders-He will do that because in 2011 the chiefs wore themselves thin tending to matters meant for others to handle. These Men and women of God left their apostolic positions of staying God-ward to go do things that they needed taken care of. God is restoring and establishing a set of delegated individuals around these leaders to take care of the

daily tasks.

In 2012 businessmen and women will get together and talk about ideas. Believers will step into their rightful positions.

I declare a wet spirit on you and not a dry spirit.

In 2012 you will seize and capture your metron. I know that 2012 will be a year when dreams that were locked up in time past will become released and begun to be fulfilled. God did not allow your dream to be released sooner because he needed us to mature and for us to realize that our dream was for many before he let it come forth. God is saying-I am going to release an apostolic anointing where things that were formerly hard begin to be accomplished. They will begin to take on motion and will become easy.

Hear me, this vision is bigger than any ministry called Judah International, IML, ICCM, ENM, ABBA, or any other area of anointing that flows from this place or are carried out from here. The vision is bigger than Jerusalem.

We must be ready to carry it out, with urgency. My spirit is excited and it is wet. There are things that God has placed inside of you. They are in your heart, your spleen, they are in your intestines and even in your stomach. You are looking at a man that is no longer a man. You are looking at a fruitful ground.

Don't go into this next year with an old mindset. We must create a new environment where the people of God dream again. Dream, dreamer!! Dream, dreamer!!

Why does something bad have to happen before we move? God has been talking to us for a long time. God has been trying to build a spirit inside us called, Go After It. 2012 will be a year of Go After It. This is not something new that I just said. We have this phrase on T-shirts. It is the word of God being proliferated. I would love for this saying of God to be more successful.

You will receive an apostolic push just because you joined the push of - **Go After It**.

People do not take you seriously until you show them a blueprint. Don't get mad if people don't take you seriously. Keep working on it underground. All of us go through it. When you are mature though you do not get upset because you know that sometime in the near future your idea will fund and bless the believers and the kingdom of God.

God says, I did not want you to Go After It when it becomes popular. I told you to Go After It when it was not popular. He will set you in the town where they ran out the last twenty preachers out of town. That is okay though, because if he set you there, you will be ready with your tennis shoes and outrun them and they won't be prepared for that. That is a joke!

Jacque thank you for always bringing back new information about places. That is what a good P.R. person does.

True believer-The Launch Pad-is a ministry business with very similar ideas as what we have at ENM-The Launch Pad took a building and redid the whole thing-they have a think tank area, a place where photographers and videographers can do a live video shoot. They also have a kitchen with a kitchen table that looks nice where Bishop Mark and I could sit and do an interview like we did recently at Judah. They have an area to rent out where you can use their space. They asked me, do you want some space? I was asked that question before I had even mentioned what I was there for or any part of my vision for ENM. I wish you could see what I am saying. I am wet with the Spirit of God and purpose. You need to be wet with the Spirit of God.

I am telling you that in 2012 it is not a dream any more. The time is already here where you can do what God put in your heart.

A Warehouse-I would like to have one so that we could house every thing in one building...pray it.

Joshua 3-Go After It-As you go through life you will meet others whose vision overlaps yours. You would not even know that these individuals and their businesses or ministries were out there except some reliable source informed you and said you should meet them and go check them out.

You thought that you had to make it and create it for yourself, but when your spirit is wet God says that you can be in position to work the work of the ministry now using what someone else has already set up.

This is your day. Get a Go After It spirit. Get a Go After It and implementation spirit.

We are going to bless some things and speak over some things this morning.

Elder Marcus is the prophetic utterance of God. God wanted to show him how to be the man of God that he is called you to be.

2012 will release a deluge-we are already experiencing changes in our mind and in our body

Prayed with someone last night- though they were 700 miles away, my belly welled up and Elder Rebecca and I prayed as they began to go through the signs of deliverance. It does not matter though that they were In Texas-delegate it. You can not be the one who goes every where and takes care of every thing yourself. Leaders let other help you, even if they don't completely know how, let them gain the experience because everyone must be trained.

Aunt Wardine-My momma's running buddy when she was not saved I was sitting in her kitchen and she making chicken. I am trying to set people in the place that they are called to be to be happy and joyful in this world.

Ephesians 3 declares that it is my responsibility, I am ordained and anointed to let all men know what is the fellowship; we have limited it to the local church and it is not limited.

IMI-we are going from house to house and watch some TV and have a home meeting this weekend. The theme for this week is, sit around and talk about the word and have some fellowship. Why is this so important because this is what they did in Acts chapters 2-4.

My assignment is to set a stage or platform in your spirit that God is creating territory, realms, and regions for you to stand upon. You can not stand in Lodabar-the place of no grazing. I am not accepting a recessional attitude when God is saying to Go After It.

Elijah was doing well under the Juniper tree-a raven was bringing him a little water and chicken meat daily but then one day God said, Get UP! God found him. He was not in the wind, or the fire. He was in the whisper. God is a God of Nucleus. He has all power in his hands.

Pastor Eric prays and declares-Father we declare right now and we thank you for such a word and are honored that you would grace us with

your presence...

Instruction-Grab someone's hand, even your kid's hand, your boyfriend's or husband's hand before he goes out the door to work. Grab someone's hand. Why? Because we are better together than we are apart. We are a nucleus.

In 2012 our initiatives will go bigger, harder and deeper.

Though in time past God was working on something under ground. Now he is bringing it to the forefront.

I speak health to those who are battling health problems and for those battling foot problems like myself, for those with spinal problems...

On the way over here this morning God said to pray for new love-some of you are about to come into new love. It may be about someone who has recently come into your life, or the person you may be going to marry, new ministry, or you may go back to a relationship from your past that God will restore the love back to. However this word applies, it won't be no joke the way that God answers. We push you into new love. We thank you for your spirit moving in them with wet spirits. May they be connected with the voice of heaven. Don't be afraid to send your people to Trumpeter's Call pastors. Letting your sheep connect with us will be good for you and great for them because we know protocol and how to teach them how to be faithful.

May there be an outbreak where the anointing of God is so strong that it can not even be controlled how it falls.

Thank you for new cars so people can get to service safely, bus ministry exploding to pick up the kids.

We pray now for someone's grandmother and grandfather, reversal, reversal. It is not a death sentence. You will not lose them to this.

Pray for the well being for others. We pray for hospital ministry-take a week and knock at the door and pray with somebody. Min. Cindy take the gatekeepers over to Bro-Menn. Ask if we can come in and pray with people. You can tell them that we are just being obedient. We want to get gatekeepers and deacons busy and we will bring back the report. We cancelled the church service just so we could talk about how exciting the move of God was at Bro-Menn.

We are praying for our youth ministry that it would double, and that our teens would rather speak the name of Jesus than curse words. We pray that we would have youth pastors who would put seed in our children's hearts.

People need God's presence in their life. We pray for those who may be saying, I don't have enough money to build the Launch Pad. To them we ask for extended favor-you don't have to do it all yourself. Stop thinking that way and killing yourself trying to do it all yourself.

I went on a missionary journey to Rockford, IL yesterday. It is ranked number three in America for being one of the worse cities. Pray for Rockford, IL.

Delegated authority-would cause us to ask Apostle Lyons (who currently runs a ministry in Rockford) can we come in and pray? We would like to send in an intercessory prayer team once a month.

Father, you minister to things in people's lives that we can not even speak to, people grieving and they don't even know why they are grieving. It is their Godly desperation in the heart of the believers that draws you. We are looking at things that break our heart everyday. We do not have much and yet we are acting like we do.

Go AFTER IT!!

Joshua 3:3 when you see the ark of the covenant of the Lord your God, and the priests the Levites bearing it, then you shall rise from your place and **Go After It**. I Chronicles 14:15 and it shall be, when you hear the sound of going in the top of the mulberry trees, get up and **Go After It**.

Ora Jean you are in my spirit. I see you at the food pantry handing out food and stuff in Whiteville, TN. You may say they will just take the food and that will be it. Either way we need to be obedient and to do what God said whether they come back to church or not.

Elder Ricks-People were praying that someone would come in to minister and you came in singing songs with joy you play and they did not pay you. We need to send busses out and to bring in the elderly and we will pray for them and love them with the power of God.

I bless you this morning. Ephesians 2:10 we are his workmanship created in Christ Jesus for good works.

I bless you as you step into 2012. Call someone and encourage them. Sow a seed as you pass into the New Year because as we step into the New Year we want to see you prosper and grow.

My kids will take part in this. I want to see that my kid's college gets paid for. Email the administration the names of your children. We want to pray for kids are trying to go to college and we will take a day for it on the line and pray for it.
