Pastor Eric Prophetic Word- This word represents several people on the line. You used to be an elder or you are one of the people in the church. I saw a face specifically, but I will not call out the name. You said I am disenfranchised and disconnected. You are past baby stages and you are a real swimmer. You want to be connected. You have got to settle in yourself that you did not fit in as yourself because you thought that you were supposed to be connected to these certain people. You are supposed to be connected, but you need to give them some time first and then you should connect to them. You are and were before time.

A true revolutionary will wait until the right time. You are about to have a spirit of weeping/breaking come over you. It is a breaking. You are needed for the kingdom. That thing is coming off of you.

The team that you were thinking you were supposed to be on, yes we need you. Calling all hands to the kingdom of God. Calling all hands to the kingdom of God. Calling all hands to the kingdom of God. This is not a one man war. This is the war of the kingdom of God.
