The enemy desires to shut down the church. It still can be functional and working but stop the momentum of the church. Still many to be received, embraced and instructed. God has always called the local church to administer contributions. When there is a shortage in the world they raise up scientist, accountant, and people. God is going to do the same thing in the church. He is raising up sons and daughters and a generation that would know how to love, speak, and walk with people and their contributions. They will know how to embrace wholeness, shepherds after God's own heart. They need to stay and be healed in the church. This will be a time of recovery, restoration; they shall make it, and be influenced. Many evangelists left before their time but they shall made it.

**Prophecies for Prophetess Harris**

**Pastor Newble**

“As you begin to pray there is deliverance in your prayers. That is why you constantly feel spiritual warfare and are constantly bombarded in your mind and body. You are a connector of people. The devil would love to break you. The conduit, misconduct, mistrust, misunderstanding of who you are God is going to bring clarity to your mind and body. You are not going to die old or young because there is much more work for you. You have to get some rest! There are places that you have to break away to be rejuvenated. So that God can pour out on you and pray for you so your body can be replenished because you are a hard worker. This is critical for individuals who are connectors and so that you can be covered. God is sending men and women who he is calling to assist, help, and aid you and you guys will do what needs to be done and their will be no more one sided relationship”

**Prophet Kathy**

Every general and military rank has a spur low. God is bringing you to have some R &R or spur low. He is releasing you to have fun, a spur low, and a Selah moment. Come up and rest with me, in me, for me, as Elijah did and when he did he still had to go back to the city.

**Brian Culshaw**

The front line goes out of battle and they can't go from battle to battle. They have to rest. You have to find your brook to rest and be refreshed.

**Pastor Newble**-This is prayer time is training us and this is training grounds. See how the Prophet was praying and then was aided by teachers.

When Elder Jackie began to pray for cities, territories, and government positions he had Brian blow the trumpet. There is going to be an opening in cities that would ask us to bring our faith based programs. In the dark cities send an apostolic ministry Cleveland, Ohio is about to feel restoration. The anointing will cover that city right now. Watch the news concerning Cleveland it's about to shift and see some changes occurring. People are going to call forth prophets and apostles to help build up a well being territorial strong hold. Cities like Peoria, City of Bloomington. Peoria stop the killing, gang banging. God send your mercy, religious city, pray for a breakthrough. Give us wisdom to help with these cities.

**Pastor Newble Prophecy for Prophetess Vanessa**

“Lay your hands on your belly. God has placed abilities in you sons and daughters. Stop holding back. I could feel the hesitation but you are about to be released. There is a reluctance there that is pushing you back. Prayer is going to unlock the giftings, even the articulation and allow strength, comfort, and a peace. Resistance that comes against you we bind and break that resistance. God has given you a favor with people and they hear and listen to what you say. There is a resistance and a little fear and intimidation is being destroyed. The constant resistance against you don't take it personal. I release you to be released in the spirit. Prayer-dwindling away release a blast of the trumpet blow this wall down!” As believers we have to be prepared all the time if we are going to grow like never before.
