Lame man in Acts:3 at the gate of beautiful which means gloomy. Sadducees names means righteous. They were birthed out a place of the divine but had no faith in it. You can't have miracles without testimonies. They didn't believe in angels. They didn't believe in the Holy spirit or supernatural, Ez:40:45, It's up to us how we walk out our daily lives. Application is very necessary. The law of first mention normally has more weight. The Pharisees were mentioned first because it's so easy for us to become like them. The chief priest refers to the Sadducees, they were higher than the rest. Anything mentioned in reference to the crucifixion the Pharisees were mentioned first. King Herrod likes to be known as in charge. When you are walking in the place where God has put you, all hell seems to break loose. Enemies who don't like each other came together for a common cause, which was to crucify Jesus. This spirit is toxic and will do anything to destroy the name of Jesus in your life. The only way that we can bear fruit that shall remain, we must be purged from mindsets of Pharisees and Sadducees. We live our daily lives to be able to glorify God. The Sadducees built an economy upon the temple of God. They were healing the sick this jeopardized the economy of the Pharisees and Sadducees. They only bore the name because of the way they were birthed. Jesus came that we have life without having to be ruled by anything other than Jesus precious spirit. Allow the spirit of God to be a mirror. As we come into the knowledge, there is a greater demand for change. You must be able to discern what you're looking at.

Eld. Jackie- Believers see so much hopelessness and heaviness because so many feel like we are supposed to be so much further along. God has given you the ability for this moment. When you get into the place of receiving of your process, you have to wait, they are like places of layovers in the spirit. Be encouraged. Give God praise for the small things, be grateful and thankful! God puts your life on pause to be pushed into promotion!

Eld.Dunn- So many have been built on false hopes, we have many expectations because of how we were taught, and got disappointed. It's causing us to see the wrong doctrine that we may realize the true doctrine of Jesus Christ.

Pro.13:10-11 a hope deferred

Pastor Eric Newble- When we lay our lives down for our brothers, we will experience the blessings of God for our own. Sow your life, take your focus off of you(I Thess:5)

TEXT...

Eld. Diane Stone-The Leaven of Herrod, there were 3 different Herrods. Herrods was another name for king. They were known for being power hungry murder's.

Herrod the great- governor of Syria, he manipulated Roman rulers (Matt.2) He was actually given the title of king. So when he heard that there was going to be another king of the Jews(Jesus) this enraged him. King Herrod the great, trying to destroy the promise by killing all male babies. After Herrod died his kingdom was divided between his three sons.

Herrod- ruler over Galilee, rulers refused to give him this title(Matt.14) Had John beheaded. This is the one who was going to kill Jesus if he returned to Galilee (Luke 23:6) This is the same herrod that thought that Jesus was John the Baptist raised from the dead. He did not kill Jesus.

Herrod Agrippa 1st- (Acts 12:1) There was a spirit of murder between the Herrod's, he killed James and wanted to kill Peter. He was unable to kill Peter, but put him in prison, he was guarded by sixteen soldiers. Peter was freed from the Jail by angels. The spirit of murder (Matt.5:21) Murder is not Just physical, if you're angry, the spirit of murder is in you and you will be judged accordingly. (James 4:1:2) Greek word for murder means to slay or kill. (1 John 3:1-10) (Mark 8) If we hate our brother, we are operating in the same murderous spirit as the Herod's. The leaven of Herod was the spirit of murder.

Bradley Campbell- God never meant for us to be silent but at the fore front as courageous people. It is not time to speak to the atmosphere but command the atmosphere to change. We are a representation of God almighty. God is creating moments and situations for us to be positioned to speak his words into existence. Our voice will never be silent.

Eld.Rebecca- There are so many things that are seeking to destroy our children and those things that we know are right as Christians. Herrod is still operating today.

Pastor Eric-when the word is preached, you will always see the manifestation of the Holy Spirit because always wants to demonstrate himself as a God of intellect. God does have a reason for what he's doing. 1 John 2:18 , Each of the spirits of leaven were antichrist. The anointing of God will never be in full activation until it's in full persecution. The anointing coming upon you is not to make you feel good, but to step out, step into the first time dimensions. The anointing works against the antichrist and the antichrist works against the anointing. You're struggle seems as though its working against you, its really working for you to produce the anointing. You must recognize if you want the anointing, you're going to pay a price for it.
