

Announcements—There will be a New Year's Eve blowout services at both Judah worship center in Mackinaw, Il and at inspiring Ministries International in Jackson, Tn. We will be starting a 21 day Daniel's fast on Jan.2,2012. View the past notes on www.ericnewble.com for a list of strategic prayer points. Find Trumpeter's Call on the face book page and like us for current updates.

Pastor Eric Newble—Everything comes through prayer and intercession, make sure you are always in the poster of prayer. There is a lot of word going forth on the Trumpeter's call within the one hour that we are on. What we're hearing on a consistent basis we are hearing the word of God. When the word of God increases, the number of disciples increase. When it gets good to you, you start sharing it with people because you are not afraid to share. I chron 12:32 Everybody doesn't have the ability to know what to do next. You have been S.T.U.C.K, severely trapped under contemptible knowledge. It's good people to have people focused upward so that they know how to lead the church. GOD HAS ALL THINGS UNDER CONTROL.

Testimony—Sis. LaGwen Johnson

Pastor released the prophecy of single mothers receiving back time child support. Sis.LaGwen received a knock at the door and it was the mailman with a child support check in which she had not received a child support for five months! Sis.LaGwen had a daughter in Alaska who Lagwen wanted to come back home, and God allowed this to go forth and Sis.LaGwen's daughter is at home with her mother.

Pastor Eric—"I live to see the manifestation of God" Pastor declares LaGwen has strengthened the body of Christ and single mothers!

Col.4 Doors of utterance

When Jericho was shut up because of the children of Israel. God begin to deal with Pastor to deal with the social economic status of Jackson, Tn. And he prayed. President Obama signed a bill to release a stiffen as of Jan.1 that will allow many different flights to fly in and out Jackson, Tn. There is also two factories coming into the Jackson,tn. God is opening up gateway cities! This is a great time to be alive. See the possibilities of your Lord and savior Jesus Christ! Declare "I will not be shut up" We are not going to be able to release you into the doors of opportunity unless we get you unlocked. Great believer's don't just receive the status quo. There are many things in your life that need to be broken up. You must receive counsel! There are many of us on the line today that represent the apostolic church because you have been connected to his purpose. There are also those who operate with great delegation. Just speak the word as like the centurion. Declare "I'm going to be unlocked"

There's someone on this line that has not made up there mind up to get your life right. Whoever invited you to this line did you a great service! That terminology is stirring in your belly. You don't have to commit suicide. In the bible, the word shut up is mentioned between 50-60 times, the place of worship is shut up. How do you become open? Fasting, prayer, cutting off gossiping and negativity. There are some ways to get your breakthrough! One of the things that is a struggle is money. When your soul increase, your spirit increases. The greatest stronghold is the mind. There are things we are good at and things we must learn at.

Eld.Jackie Hendricks—In this upcoming year, we are breaking out of some old mindsets. Our minds will be challenged to step into some things we haven't before. He commissions us to pray. There are 7 feasts of Israel, its imperative for us to keep them. Duet.16, this is beneficial for head of households to go before the Lord with a sacrifice. The first fruit is not about a money principal, a first fruit offering is sown in faith in belief that God will bless the rest of your year. Tithes is blessing God for what you've already received. Ex.23, Lev.23 There is something about going into a new season, He required the children of Israel to sow a seed, this is a memorial to your children that this is how God brings you out. Every season requires a sacrificial offering. Fasting and prayer means afflicting your souls. Eph.4. The Hebrew word for first fruit is bikkurn, which means a promise to come. God knows money moves us, he speaks to us through the treasures of our heart. It is a revolving cycle, the more you sow, the more you planting seed for an abundance in your life. The way that we do not have lack is to tap into the divine principals of God. Jer. 2, we are a product of God's first fruit. Ez.44:30 The sheaf means roughness, we bring the roughness, everything that has been hard and challenging and give it to God.

Dec 20th—continued

3 times of sowing seed

The feast of unleavened bread

First fruits

The place of in gathering

Be challenged to set a resolution of sowing.

7 promises of obedient

Send an angel before you to prepare a place

I will be an enemy to you enemy and an adversary to your adversary

Prosperity, your bread and water will be blessed

Take away sickness out of the midst of thee, pronounce healing over your life

No more bareness in your life

You shall receive increase and walk into your inheritance.

Enlarge, stretch your capacity, give you back what has been taking from you.

As we are stepping into a new year, be challenged to sow into the apostolic movement of God!

Pastor Eric

I am so honored of the stature of the people that God has placed in my life. The greatest treasure in the world is locked up in the saints. There are many more ways to get a thing done than there isn't.

The Trumpeter's Call—December 22, 2011

Pastor Eric—There is so much in the spirit realm! It's like going into Willie Wonka land and having access to all the candy you want! God shows up in the garden and asks Adam what he calls each of the animals, in Habakkuk, he declares he's going to set himself up to see what God is going to say to him. God set Adam more in the spiritual realm as a mortal man. It has always been for man to rule where he has been SET. When God set Adam, he ordained him to that place, to set means to be put in a certain location. New revelation, new insight always sounds like Babel to the people. The word Babblor means, what will these setter's forth do? God is releasing a generation of people who know how to set forth the move of God and create a climate where God can begin to set things forth. We reside in Jesus Christ. We have the D.N.A of Jesus Christ! We are coming out of a year where it seemed like everything that could be shaken was shook. Everything that we thought in our minds that we thought were solid, such as Tsunami's and flood's; hap-pened! God has to allow the creation he created to move, to get people's attention! All of us get stuck in our ways and God allows something to shift. Paul and Silas were thought to be babblers, but were actually setters forth. When God allows you to set forth in motion, you begin to operate and wonder how things can be set forth! APOSTOLIC BIG MOUTHS! They are called to set the church in patterns and dedicated things. They understand their matrons. Whenever God says he wants to download, you must put people in places to make things happen. People who are set know that they have an appointment with God's purpose. God is downloading things to us that we have only read about in the bible; he wants us to become a movement! There is nothing that can hinder you from operating in a place where you have been set. There are some new anointing, and revelations! We receive all that the patriarchs have set forth. God is about to establish a people that we have never seen before in the realm of the spirit! There's so much conversation about being tired! You have to have your mind set! God is trying to set up a mindset in us that we can do anything! Receive your appointment today! Conceive! This is a new generation! If you are not set in the purpose of God, you will allow everyone and everything to take you out of the place of God. There is a movement taking place; every new movement starts with intercessory prayer. You have to embrace your day, there are certain things set in our lives to become a memorial. We always want to put limitations on the promise! (Eph 1:20) It's the exceeding greatness of the Holy Spirit operating in you. Wor-ship and intercession is holy before God. Preaching and teaching is Holy before God. There is a season called the hidden place. God sets us in positions where we understand our metrons. There will never be anyone to remove Jesus from the right hand of God. When you embrace the death process to become what God has set for you to do. You cannot be moved! This place of inter-cession is where the ingenious comes out. SET is a place of ingenious activity! You frame your own world with your own words. (col.3) Everything God gives you, put it in full motion! The word SET is an Apostolic word. (1 kings 8, 2 chron. 14) If you're in a season of your life and you know something to be shifted in your leader and you know there's no more grace on them, something is wrong! Get in a position to conceive. You take the anointing of God and move it where it's useful. Apostolic people are people in movement and must discern where people are. God gives revelation when people talk about their problems. Metron is a target area, a place where one is assigned to a certain area to operate. You have to check some things in your flesh when you're feeling like you can't take anymore. It could be that you've stepped out of the will of God.

Dec 22, 2011—continued

It is a place of focused spiritual and natural activity. Whenever God gives you a word that will show up in the natural! God is Shammah! He just shows up. God is the God of application. Some of us are exhausted because we are operating outside the specific boundaries God has given us to work in. (Titus 1:5) Titus was being set. God is trying to put things on the inside of you to see if you're committed! There is something that is shut up in us; god has to allow certain things to shut up to see if we'll fight our way out of it. This is going to be a year of tre-mendous harvest. God is releasing, but there are some things we must do. It's going to require prayer and fasting and studying. When we begin to study this word, the body of Christ is going to grow. When you increase in the word you INCREASE in every area of our lives.

Eld. Jackie Hendricks—In the New Year it's going to be a time of tremendous harvest and a time of establishing new foundations. The first fruit offering in John 15 talks about the fruit that shall remain. Matt. 3:8 talks about bring forth fruit that is consistent with repentance. Repentance that our lives proves that our hearts have changed.
